### The Best Pizza in Miami

#### Joey's Italian Cafe

Established in 2008, Joey's has stood by Wynwood's side even before Wynwood became famous. It serves locally produced, Italian inspired dishes with just the right balance of simplicity and complexity, like its notable Joey's pizza, topped with tomato sauce, Portobello mushrooms, shallots and oregano. We suggest you order everything family-style, because this is not a portion you'd want to control.
