They say there is no such thing as bad pizza, but some are most definitely better than others. Here are the best places to have a terrific pie in Miami.

1 Joey's Italian Cafe

Not only is Joey's first in our Top 5, but they were also the first restaurant in Wynwood. An extensive menu of toppings and options like whole wheat crust make Joey's a a perfect place for a pie after a long day or night of gallery hopping. Italian marble and mosaics give an authentic trattoria feeling to this darling restaurant adjacent to the iconic Wynwood Walls.
